01 Futsal Fellowship with SINDA's Youth Club

In 2024, SINDA Youth Club (SYC) proudly partnered with The Helping Hand (THH) for two vibrant futsal games that brought our youth and THH residents together. These events were about more than just sports; they were about building bonds, sharing joy, and fostering mutual respect.

Through these games, our youth experienced the power of inclusivity and the importance of embracing every individual with dignity and kindness. SYC is thrilled to continue this meaningful partnership, as we believe in creating lasting positive change through the spirit of volunteerism and community collaboration.

02 IRAS President's Challenges Charity Bazaar

The Helping Hand is excited to be part of The President's Challenge 2024 once again, following our participation in 2022. The event took on an exciting carnival format, with various organizations setting up booths to engage with the community, raise funds, and contribute to the President's Challenge. THH proudly participated by selling bakery and urban farming products, while also raising awareness about joining our community. We had a wonderful time at the event, thoroughly enjoying the opportunity to connect with others and support such a meaningful cause.

03 Christmas Family Day

THH Annual Christmas Family Day turned out to be a great success, thanks to the incredible support and teamwork from everyone involved in organizing it. It was heartwarming to see that not only did everyone who attended had a wonderful time, but they also left with a deep sense of satisfaction. The positive energy and enjoyment shared by all made the event truly memorable, and we are thankful for the collective effort that made it possible.

We're deeply grateful to our amazing volunteers and generous sponsors from Barker Road Methodist Church for their unwavering support in making this special day possible, bringing smiles and hope to our community as we work towards reintegration.

04 Christmas Deputation Service @ Eternal Life Baptist Church

We are grateful to report that approximately 120 people attended our recent evangelical event at Eternal Life Baptist Church. The feedback from the church community has been overwhelmingly positive. Many attendees praised the simplicity and engagement of the worship songs, which helped create a welcoming atmosphere. The sermon and personal testimony were also well-received, with many expressing appreciations for the message shared. It was especially heartening to note that most of the attendees were not regular church members, offering a wonderful opportunity for outreach. As a result of this event, a few individuals made the life-changing decision to accept Christ. We are excited to see the seeds planted and look forward to the continued impact of this event on the lives of those who attended.
